Engineering

Leading employers within the Newry area have apprenticeship and higher level apprenticeship opportunities available now in a wide range of areas.

Students leaving school in June 2016 are invited with their parents/guardians/carers to attend this information evening to find out more about these 'local' apprenticeship opportunities starting from September 2016.

You will hear from leading local employers who want to develop young talent for their growing businesses and also from the apprentices themselves - find out why these students decided to pursue their career aspirations close to home whilst earning a salary.

Many local employers will be attending including: Norbrook Laboratories, MJM Interior Build, O'Hare & McGovern and PKF-FPM.

Date: Wed 20th April 2016

Time: 5:00pm – 7:00pm

Location: Southern Regional College, West Campus, Patrick Street, Newry
